

COVID-19 Safety Alert

In working with federal, state and local public health authorities to closely monitor the COVID-19 pandemic there are several adjustments that have been made help control the spread of the virus:

- **Access to elevator at Liberty Square and on vessel is limited to one party at a time (note: no accessibility is available at the Fort)**
- **The Fort Sumter Museum on the Fort is closed (please visit www.fortsumtours.com for 360 videos)**
- **Water fountains are closed at Liberty Square, on the vessels and at the Fort**
- **At this time there will be no visitor engagement with raising the flag.**
- **Recently, a local ordinance was passed requiring face masks in public areas to help prevent the spread of COVID-19. Fort Sumter Tours and the National Park Service request that all of our guests comply with the ordinance in the spirit of cooperation and safety. Thank you**
